Sub:- Submitting the visit report of Shram Mandir Trust, Leprosy Hospital, Sindhrot.

Respected Sir,

As a part of CCIM curriculum, 100 students of the institution along with one faculty member visited Shram Mandir Trust, Leprosy Hospital, Sindhrot on 28/01/2020. The visit was conducted in collaboration with NSS as a part of celebration of World Leprosy Day.

The consultant Doctor of the centre explained about leprosy, signs and symptoms, treatment etc to our students. Students visited the dept. like OPD, IPD, disabled patients, Wards, Physiotherapy department, Laboratory, Pharmacy & the Rehabilitative activities like cottage industry, handicraft, Gaushala etc. The hospital staff showed all the wards and manufacturing units with due details. With the support of NSS, we distributed biscuit packets to the inmates of the hospital. The Doctors and the staffs of the hospital appreciated our effort and we were welcomed too. It was a good memorable and knowledge delivering tour for all of us. This will definitely be helpful in improving the academic knowledge of the students.

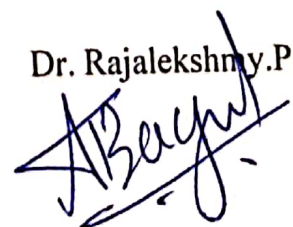

Thank you for granting us the permission for the same.

Yours faithfully,
