

# Parul Ayurved Pharmay

With a vision to promote the use of Ayurved products amongst the staff and students of Parul University campus, an Ayurved medical store " Parul – MediHerb" has been commenced in the campus.

The store is functional from 9 am to 5 pm everyday.

All the products available in the store are indigenous and are produced in the licenced Pharmacy of Parul Institute of Ayurved, and are available at discounted prices for the staff and students of Parul University.
