NOTIFICATION

Sub: Procedure for evaluation in subjects related to MD and MS in the University

Ref: (i) Proceedings of the Fourth Meeting of the Governing Body held on November 6, 2017

(ii) Approval of the Provost

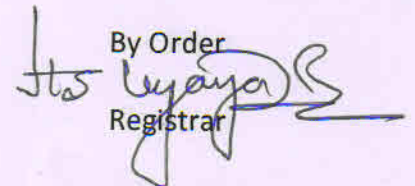

PREAMBLE:

The University offers post graduate programmes in Ayurveda leading to M.S.(Ayu.)/M.D.(Ayu.) and in Homoeopathy leading to M.D.(Homoeo.). The respective Councils viz., CCIM and CCH have prescribed regulations and subject syllabi for these courses which are implemented in the University. However, in these PG programmes which are of a three year duration, only two examinations at the University Level are prescribed by the Councils. Consequently, the students' performance is not evaluated in one year of the programme. The Governing Body in its Fourth Meeting held on 6.11.2017 took note of this matter. After a detailed discussion, the Governing Body resolved to introduce additional evaluation parameters in the said courses. Hence, the Order.

ORDER:

In addition to the stipulations laid down by CCIM and CCH, the following evaluation procedures shall be adopted with immediate effect for the courses leading to MD (Ayu.)/MS (Ayu.) and MD(Homoeo.) in the University

"There shall be annual examinations to MD and MS courses with the second year examination being the University Examination. Further, the dissertation work must be reviewed by both an internal and an external examiner annually. The candidate eligible to submit the dissertation should have published atleast one research paper in any designated journal."
