Sub: Amendments in the rules and regulations of BAMS Curriculum.

Respected Sir,

As per the regulations of CCIM and gazette notification no. No. 28-15/2016-Ay.(MSR) referred above, the following changes need to be made in the rules and regulations of BAMS.

PR

6/11/2019

Dean
Faculty of Ayurved
Parul University

3. ADMISSIONS:

3.1 Admission to first year of BAMS program of study in Ayurveda:

POINTS TO BE ADDED:-

- In respect of persons with disability candidate specified under the Rights of Persons with Disabilities Act, 2016, the minimum qualifying marks in the said qualifying examination in Physics, Chemistry and Biology shall be forty-five per cent in the case of general category and forty per cent in the case of the Scheduled Castes, Scheduled Tribes and Other Backward Classes.
- No candidate shall be admitted to B.A.M.S Degree Course unless he has attained the age of seventeen years on or before the 31st December of the year of his admission in the first year of the course and not more than of twenty-five years on or before the 31st December of the year of admission in the first year of the course: Provided that the upper age limit may be relaxed by five years in the case of the Scheduled Castes, Scheduled Tribes, Other Backward Classes and physically handicapped candidates.
- i) There shall be a uniform entrance examination for all medical institutions at the under-graduate level, namely the National Eligibility Entrance Test (NEET) for admission to under-graduate course in each academic year and shall be conducted by an authority designated by the Central Government.
- (ii) In order to be eligible for admission to under-graduate course for an academic year, it shall be necessary for a candidate to obtain minimum of marks at 50th percentile in the 'National Eligibility Entrance Test for undergraduate course' held for the said academic year:

Provided that in respect of-

- candidates belonging to the Scheduled Castes, Scheduled Tribes and Other Backward Classes, the minimum marks shall be at 40th percentile;
- (B) candidates with benchmark disabilities specified under the Rights of Persons with Disabilities Act, 2016 (49 of 2016), the minimum marks shall be at 45th percentile in the case of general category and 40th percentile in the case of the Scheduled Castes, Scheduled Tribes and Other Backward Classes. Explanation.-The percentile shall be determined on the basis of highest marks secured in the All India common merit list

in the National Eligibility Entrance Test for under-graduate courses: Provided further that when sufficient number of candidates in the respective categories fail to secure minimum marks in the National Eligibility Entrance Test, as specified above, held for any academic year for admission to under-graduate courses, the Central Government in consultation with the Central Council may at its discretion lower the minimum marks required for admission to under-graduate course for candidates belonging to respective categories and marks so lowered by the Central Government shall be applicable for that academic year only.

- For foreign national candidate any other equivalent qualification to be approved by the Central Government may be allowed and the above clause shall not be applicable for said foreign national candidate.

5.1.5. Compulsory rotatory Internship:

POINTS TO BE ADDED:-

Migration of Internship.-

- The Migration of internship shall be with the consent of the both college and University, in case of migration is between the colleges and two different Universities.
- In case migration is only between colleges of the same University, the consent of both the colleges shall be required.
- The migration shall be accepted by the University on the production of the character certificate issued by institute or college and application forwarded by the college and University with a "No Objection Certificate", as case may be.

9. ATTENDANCE REGULATIONS:

9.1. Students shall have a minimum of 80% attendance in each *subject (theory and practical separately)* to be eligible to appear in the End Year Examination.

10. EXAMINATION SYSTEM AND EVALUATION:

POINTS TO BE ADDED:-

- (1) The theory examination shall have minimum twenty per cent. short answer questions having maximum mark up to forty per cent. and minimum four questions for long explanatory answer having maximum marks up to sixty per cent. and these questions shall cover entire syllabus of subject.
- (2) The minimum marks required for passing the examination shall be fifty per cent in theory and fifty per cent in practical or clinical or viva-voce, wherever applicable separately in each subject.
- (3) A candidate obtaining seventy-five per cent. marks in the subject shall be awarded distinction in the subject.

- (4) The supplementary examination shall be held within six months of regular examination and failed students shall be eligible to appear in its supplementary examination, as the case may be.
- (5) Each student shall be required to maintain seventy-five per cent. attendance in each subject (in theory and practical) for appearing in the examination and in this regard a class attendance card shall be maintained for each student for the different subjects and the Principal shall arrange to obtain the signature of the students, teachers at the end of each course of lectures and practical instructions and send the cards to each Head of the Department for final completion before the commencement of each examination.
- (6) In case a student fails to appear in regular examination for cognitive reason, he or she shall appear in supplementary examination as regular students, whose non-appearance in regular examination shall not be treated as an attempt and such students after passing examination shall join the studies with regular students and appear for next professional examination after completion of the required period of study.
- (7) The following facts may be taken into consideration in determining class work in the subject- (a) Regularity in attendance; (b) Periodical tests; and (c) Practical work.

Scheme of examination.- (1) (a) The first professional session shall ordinarily start in July and the first professional examination shall be at the end of one academic year of first professional session;

- The title of the dissertation along with the synopsis, with approval of the Ethics Committee constituted by the institute as per regulations of concerned recognised

J.R

6/11/2019

Dean

Faculty of Ayurved
Parul University

University, shall be submitted to the University within a period of six months from the date of admission to the post-graduate course.

- If the student fails to submit the title of dissertation and synopsis within the period specified under sub- regulation (2), his terms for final post-graduate course shall be extended for six months or more in accordance with the time of submission of the synopsis to the University.
- The synopsis of the proposed scheme of work shall indicate the expertise and action plan of work of the student relating to the proposed theme of work, the name of the department and the name and designation of the guide or supervisor and co-guide (if any).
- The University shall approve the synopsis not later than three months after submission of the synopsis.
- A Board of Research Studies shall be constituted by the University for approving the title.
- The University shall display the approved synopsis of dissertation on their website.
- The subject of every dissertation shall be research oriented, practical oriented, innovative and helpful in the development of Ayurveda system and the subject of the dissertation shall have relation with the subject matter of the specialty.
- Once the title for dissertation is approved by the Board of Research Studies of the University, the student shall not be allowed to change the title of the proposed theme of work without permission of the University.
- No student shall be allowed to submit the dissertation before six months of completion of course and the student shall continue his regular study in the institution after submission of dissertation to complete three years.
- The dissertation shall contain the methods and data of the research carried out by the student on the problem selected by him and completed under the guidance of the guide or supervisor approved by the University.
- The dissertation shall consist of critical review of literature, methodology, results of the research, discussion on the basis of research findings of the study, summary, conclusion, and references cited in the dissertation shall be suitable for publication.
- The dissertation shall consist of not less than forty thousand words.
- The dissertation shall contain, at the end, a summary of not more than one thousand and five hundred words and the conclusion not exceeding one thousand words.
- The guide or supervisor shall be a person of status of a Professor or Reader or Associate Professor, Lecturer or Assistant Professor having five years University approved teaching experience in the subject concerned shall eligible for guide or supervisor.
- Five copies of the bound dissertation along with a certificate from the supervisor or guide shall reach the office of the Registrar of the University four months before the final examination.

- The dissertation shall be assessed by two external examiners and two internal examiners appointed by the University.
- The dissertation shall be accepted only after the approval of examiners and in case of disapproval by one external examiner, the dissertation shall be referred to third external examiner approved by the University concerned.
- If the dissertation is not accepted by two external examiners, the same shall be returned to the student with the remarks of the examiners and the student shall resubmit the dissertation after making necessary improvement in the light of examiners' report to the University within a further period of six months.
- The student shall be permitted to appear in the final examination of post-graduate degree course only after approval of the dissertation by the examiners.
- Inter-disciplinary research may be done by co-opting the guide or supervisor from the concerned specialty.
- If a para-clinical or pre-clinical subject student takes a thesis topic involving clinical trials then he/she shall work under co-guide of a clinical teacher of the speciality concerned for preparing the thesis.
- **12. Examination and assessment.-**
- (1) The post-graduate degree course shall have two examinations in the following manner, namely:- (a) the preliminary examination shall be conducted at the end of one academic year after admission;
- (b) the final examination shall be conducted on completion of three academic years after the admission to post-graduate course;
- (c) examination shall ordinarily be held in the month of June or July and November or December every year;
- (d) for being declared successful in the examination, student shall have to pass all the subjects separately in preliminary examination;
- (e) the student shall be required to obtain minimum fifty per cent. marks in practical and theory subjects separately to be announced as pass;
- (f) if a student fails in preliminary examination, he shall have to pass before appearing in the final examination;
- (g) if the student fails in theory or practical in the final examination, he can appear in the subsequent examination without requiring to submit a fresh dissertation;
- (h) the subsequent examination for failed candidates shall be conducted at every six months interval; and
- (i) the post-graduate degree shall be conferred after the dissertation is accepted and the student passes the final examination.

- (2) The examination shall be aimed to test the clinical acumen, ability and working knowledge of the student in the practical aspect of the specialty and his fitness to work independently as a specialist.
- (3) The clinical examination shall be judge the competence of the student in Ayurveda and scientific literature of the specialty.
- (4) The *viva-voce* part of the practical examination shall involve extensive discussion on any aspect of subject or specialty.

14. Mode of examination and appointment of examiner(s)-

- (1) The preliminary examination and final examination shall be held in written, practical or clinical and oral examination.
- (2) The preliminary examination shall be conducted by a team of two examiners, out of which one examiner shall be external from any other institution and the final examination shall be conducted by a team of four examiners, out of which two examiners shall be external from any other institution.
- (3) A teacher with five years teaching or research experience in concerned subject or speciality shall be considered eligible for being appointed as an examiner.

These submissions are made based on the revised MSR and Gazette notification of CCIM and Ministry of AYUSH. Parul University Ayurved UG and PG regulations are subjected to the CCCIM and Ministry of AYUSH regulations and guidelines, same will be applicable as and when it comes on effect.
