

ANNUAL REPORT 2021

Preface

Parul University, Faculty of Ayurveda has two institutes namely Parul Institute of Ayurveda & Parul Institute of Ayurveda & Research in its ambit established in 2006 and 2017 respectively by Ministry of AYUSH. Both these institutes have their teaching hospitals namely Parul Ayurveda Hospital & Khemdas Ayurveda Hospital. “Quality is not an act but it is a habit.” These hospitals cater quality healthcare services for poor & needy people of the society which are recognized for their humane services accredited by National Accreditation Board for Hospitals and Healthcare Providers (NABH).

Parul Institute of Ayurved is approaching forward to achieve the highest rank & set a unique benchmark in teaching methodologies, research, clinical practices & to set up a platform for UG, PG & PhD. “Research is to see what everybody else has seen, and to think what nobody else has thought”. The esteemed institute is constantly putting efforts in innovative research activities in collaboration with various esteemed institutes like IIT etc. There has been a quantum jump in all the activities the institute touched. Parul Institute of Ayurveda have post graduate courses in 12 disciplines & doctoral programmes in all disciplines of Ayurveda. Institute of Ayurveda is successfully running a G.M.P certified pharmacy which manufacture 140+ Ayurvedic formulations. “Ananda Bliss” is a specialty unit with state-of-the-art Panchakarma facilities in Parul Ayurved Hospital

ANNUAL REPORT 2021

Summery

KEY ACTIVITIES REPORT

KEY ACTIVITIES REPORT (APRIL/MAY-2021)

PARUL INSTITUTE OF AYURVED AND PARUL INSTITUTE OF AYURVED & RESEARCH

Despite enormous physical and psychological disturbances caused by 2nd wave of Covid-19 pandemic, Parul Institute of Ayurved and Parul Institute of Ayurved & Research conducted all scheduled activities without interruption.

Teachers, apart from conducting online classes, joined hands with physicians and resident doctors in providing effective treatment to patients who had contracted Covid-19 and also those who had been suffering from various other ailments.

In spite of scarcity of resources, healthcare professionals contributed their best in combating against Covid-19.

Parul Sevashram Hospital, Parul Ayurveda Hospital and also Khemdas Ayurveda Hospital contributed majorly to India's healthcare by standing with members in the society, staff members and even their relatives during this crisis. In order to go through challenging times successfully, we must be alert, active and empathetic. "Service to Humankind is Service to God" has always been the motto of all stakeholders in Parul University and this motto has been the driving force behind all the initiatives taken by the university in easing the pain and discomfort felt by the members in society during this pandemic.

Many extensive clinical trials as a part of research, medicine kit distribution, vaccination drive and also plasma donation drive were carried out successfully by our university. This report highlights the key activities undertaken by the university.

- More than 25 Webinars on "Ayurvedic View on Prevention and Management of Common Diseases of Urinary System", "Viddha Karma and Its Role in Commonly occurring Musculoskeletal Disorders", "Post Operative Pain Management with Matra Basti", "Scopes for BAMS students after completing BAMS in the field of Ayurveda", "Understanding of Covid-19 & Ayurved", "Research Thrust Areas in Prasuti Tantra & Stree Roga", "Novelty in Research Topics in Ayurved" and others were conducted by both PIA & PIAR for the benefit of students and other stakeholders.

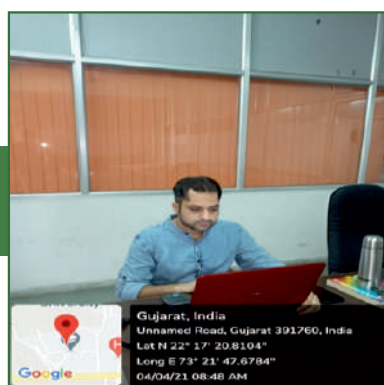

- Dr. Shailesh Deshpande, Dr. Prasanna Matad and Dr. Bhavin Dhanavade from the Faculty of Ayurveda received "EDC Special Recognition Award-2021" for their contribution towards Research and encouraging students in ayurved for active participation in M2M Herbal and Ayurveda Innovation Challenge.

- Many faculty members of ayurved colleges in the university were invited as guest speakers for delivering lectures in webinars conducted by different universities and colleges across India.

- Faculty of Ayurveda published more than 10 peer reviewed articles in Scopus and Web of Science Indexed Journals during April-2021 and May-2021. Some of these articles discussed in detail causative factors from Ayurvedic Perspective which led to the Covid Pandemic.
- Faculty of Ayurveda is conducting an Online Fellowship Certificate Courses on multiple topics such as "Clinical Examination in General Practice", "Knowledge of Drugs and Its Administration" etc... Several students and other knowledge seekers from India, Bangladesh and other countries have participated in the said courses.

- Several health camps were conducted during which kits comprising Ayurvedic medicine for Covid-19 were distributed along with carrying out general examination of the patients. They were also informed about ways in which they can protect themselves against Covid-19 infection.
- 75 Ayurved Kits were distributed to the international as well as local students of Parul University. Interns in Ayurved Hospitals were deputed at different vaccination venues and health centers of Vadodra city which helped them learn about various aspects of public health and encouraged them to render their services to the humanity.
- The NSS unit of Parul Institute of Ayurved, under the guidance of Shri Narayan Madhu (Joint Commissioner of Higher Education) in association with Sant Matadevi Darbar (Shri Kamlesh Wadhvani) distributed 320 Ayurvedic Medicine Kits free-of-cost to homeless and needy people for protection against covid-19.

- Multiple clinical trials like-A Pilot Study of 5 novel herbo-mineral formulations as an adjuvant to modern medicine in patients of COVID 19 pneumonia who required external oxygen therapy, Effect of Herbal Mask on Healthcare Workers and also on Post Covid Patients were conducted by Faculty of Ayurved during last two months.
- Ayurvedic treatment of five combinations was tested in 63 patients of COVID 19 pneumonia who required external oxygen therapy. Patients were advised to take Bruhat Kasturi Bhairav Rasa, Jayamangala Rasa, Medicine A, Medicine B, and Medicine C where Medicine A was a combination of Mahalakshmi Vilas Rasa with other drugs, Medicine B was a combination of Sahastraputi Abhrak Bhasma and other drugs, Medicine C was a combination of Swasa kasa Chintamani, Mahalakshmi Vilas Rasa, Shrungarabhra rasa. All patients received medicines as an adjuvant to standard modern treatment. 42 patients out of 63 showed remission. 12 patients out of 23 with co-morbid conditions also recovered. 13 patients out of 21 on high flow O₂ (>12 L/min) showed remission. None of the patients showed any adverse effects or needed ventilator support. Hence, the hypothesis that Ayurvedic herbo-mineral combinations can help in oxygen dependant COVID 19 pneumonia cases as an adjuvant was analyzed and published in peer reviewed journal.

Even during the time of Covid it is well known fact that other diseases too existed. People even suffered from multiple systemic disorders. Faculty of Ayurved also treated patients suffering from such ailments, many surgeries were also conducted for wellness of the patients. Few success stories are highlighted below.

Parul®
Ayurved Hospital
A Teaching Hospital of Post Graduate Ayurved

HERNIOTOMY IN CONGENITAL INGUINAL HERNIA

Department of Shalyanta, Parul Ayurved Hospital

- Patient of 10 months old age with congenital hernia complaining of a gradually increasing reducible painless swelling in right inguinal region. Swelling was present in the form of a lump in the right inguinal region.
- On examination, reducible swelling was present in right inguinal region with audible gurgling sounds. No masses were felt over the swelling. Swelling was reducible. On USG examination, a large amount of fluid was seen in the right inguinal region. It was diagnosed as a case of Inguinal hernia. Right Inguinal hernia was treated with herniotomy.
- Patient underwent Herniotomy under spinal anesthesia by a team of Ayurvedic Surgeons at Parul Ayurved Hospital. Patient's stay at the Hospital was successful and progressive recovery was noted post-operatively.

Surgeon: Dr. Shubham Jaiswal
Asst. Surgeon: Dr. Durgesh & Dr. Shubham
Anesthetist: Dr. Anshul Jain

KEY ACTIVITIES REPORT

KEY ACTIVITIES REPORT (JUNE/JULY-2021)

PARUL INSTITUTE OF AYURVED AND PARUL INSTITUTE OF AYURVED & RESEARCH

On the other side of storm there is strength that comes from having navigated through it. Re-opening of Classes after Lockdown & second wave was tough but it has not weakened the enthusiasm and morale of students and faculties of Parul University. In the month of June-July faculty of Ayurveda organised many webinars, Health camps, Guest lectures, PhD synopsis presentations and many more from various departments, Online Competitions and a new initiative of podcast series "Ayurveda Talks" at PU which is done by various experts in the field of Ayurveda to help students and to impart the knowledge regarding the disease and its prevention and treatment to the society, ultimately for wellbeing of humans.

More than 15 webinars were conducted by PIA & PIAR on topics like Interpretation of LFT in Liver & other Systemic Disorders, Tropical ulcer and it's management with Leech therapy, Osteoporosis and it's different treatment modalities, Ayurvedic Perspective of Chronic Kidney Diseases, Intravenous fluid Therapy, Low back ache and its management, world environment day, Fundamental of Bio-informatics, Agni chikitsa lepa in RA, Research methodology workshop, Drug Abuse, Role of Paniya Kshara in oncology, Good clinical Practice, Deciding kriyakalpa dosage in clinical practice and many more for the benefit of students and knowledge seekers.

WEBINAR ON LIVER FUNCTION TEST
Organized by Department of PG & PhD Studies in Raga-Nidra Parul Institute of Ayurved.

28 July 2021 | 03:00 PM Onwards

Innovation Expo was organised by the Faculty of Ayurveda, Parul University to bring out the innovative and new ideas of the young scholars for the development of Ayurveda.

Leadership is not about titles, positions or flow charts. It is about one life influencing another. In the Loving Memory of Late Dr. Jayesh K. Patel, Founder President of Parul University- Free Food Scheme was inaugurated for the IPD patients at Parul Ayurved Hospital on his 1st Punyatithi. With this university has also organised J.K. Patel Memorial Mega Blood check-up camp, Health Check-up camps, J.K. Patel Memorial Research Award and Published a book written by the late President J.K. Patel.

If you can't feed a hundred people, then feed just one. Food is a basic thing that every living being must have. The life is more meaningful if you live not only for yourself, but helping others.

Mega Blood Pressure & Body Constitution Check Up Camp was organised by the Faculty of Ayurved from 16th August to 23rd August 2021 at different institutes of Parul University in which more than 5000 people participated.

Many inhouse Ayurveda faculties were invited as guest speakers for delivering lectures by different Universities and colleges across India.

KEY ACTIVITIES REPORT

श्रमेण दुःखं यत्किञ्चित्कार्यकालेनुभूयते ।
कालेन स्मर्यमाणं तत्प्रमोदायैव कल्पते ॥

It means while engaged in doing a difficult task, one does experience weariness due to adverse conditions. In retrospect, however, the memory of that pain provides satisfaction of having accomplished the task. With same satisfaction and joy of working, Parul University Faculty of Ayurveda has worked in the months of October and November.

KEY ACTIVITIES REPORT (OCTOBER/NOVEMBER-2021)

PARUL INSTITUTE OF AYURVED AND PARUL INSTITUTE OF AYURVED & RESEARCH

In these months Faculty of Ayurveda **has** organised many webinars, Series of Ph.D webinar , Pre-conferences on Geriatrics care and cure, International Conference on Geriatrics care and cure, Many Health camps, Various Competitions and also Orientation Programs for new batch of 3rd and 4th year. Faculty of Ayurveda also organised cricket tournament "Dhanvantari Cup" for students and faculties of Parul Institute of Ayurveda and Parul Institute of Ayurveda and Research and also Organised "Gujarat Ayurveda cricket Premier league-2(GAPL-2)" for Students of Ayurveda colleges all over Gujarat and **Celebration of Various Days like World Heart Day, Diabetes Day, Piles Day etc which have benefitted the students and staffs of Faculty of Ayurveda in their overall development.**

More than 20 webinars were conducted in the months of October-November on topics like Practical aspects of Prachhana Karma in Khalitya, Mucormycosis and its Ayurvedic Management, Evidence based clinical practice in Netraroga, Cranial nerves and their applied aspects, Neuroimmunology , Clinical implications in Ayurveda, Applied aspects of Anjana, Scope of Shalyatantra in Geriatric Orthopedics, Murivenna and its Applications in Parikarthika, Understanding Shuska akshipaka in Ayurveda and Modern perspective, General protocol for selecting a drug in Liver disorders, Ayurvedic concept of thyroid, A clinical insight to Marma chikitsa, Scope and practice of Geriatrics in USA etc

Faculty of Ayurveda has also organised Webinar series of Ph.D scholars in which more than 15 webinars were conducted which **has** highly benefitted the students of Ayurveda across India

More than 10 Health camps were conducted in October & November by Parul Ayurveda Hospital and Khemdas Ayurveda Hospital in and around the villages of Vadodara city which has **highly benefitted** the public. More than 1500 patients had joined these camps.

Pre-Conferences and International conference on Geriatric care and cure

Faculty of Ayurveda **has** organised Pre-conferences on topic Geriatrics care and cure in the month of October preceding to the International conference which was conducted in the **month 19th and 20th November**. In these Pre-conferences all the Branches of Faculty of Ayurveda participated enthusiastically and organised Webinars and **Paper presentation** competition on various topics of Geriatrics which has helped the students and delegates to gather and update their knowledge on geriatrics care and cure.

International Conference

In this International conference Scientific Paper presentation session, Online lecture by International associates, Guest lectures and key note lectures were arranged on topics Geriatrics care and cure.

Guest Lectures was delivered by Dr Subhash Ranade on topic "An Overview on Geriatric Diseases, Dr Sunanda Ranade delivered a Guest Lecture on topic Lifestyle and diet in Geriatric Age.

Cricket Tournament

Play a sport. It will teach you how to win honorably, lose gracefully, respect authority, work with others, manage your time & stay out of troubles"

Playing sports teach us different lessons of life like Teamwork, Accountability, Self-confidence, Responsibility and Self-discipline. Sports in schools and colleges also help to prepare the students to face the challenges of life. They enhance physical and mental abilities of students and help them to achieve the goals of their life. Faculty of Ayurved, Parul University is very glad to announce the 2nd edition of Gujarat Ayurved Premier League (GAPL- II)-2021 for the faculties & students of Ayurveda Colleges at Gujarat from 29/11/2021.

Faculty of Ayurved, Parul University is organizing "DHANWANTARI CUP-2021" for the students and faculties of PIA & PIAR on 26th & 27th November-2021

Days Celebration

Festivals are an expressive way to celebrate glorious heritage, culture and traditions. Faculty of Ayurveda have joyfully celebrated the festivals in the months of October and November.

With this Faculty of Ayurveda has also celebrated the Days like world Diabetes day, World Food Day, World Piles Day etc

KEY ACTIVITIES REPORT

DECEMBER/JANUARY 2021-22

नाभिषेको न संस्कारः सिंहस्य क्रियते मृगैः।
विक्रमार्जितराज्यस्य स्वयमेव मृगेंद्रता।।

Animals do not coronate a lion through sprinkling holy water on him and conducting certain rituals. He assumes kingship (effortlessly) through his own prowess. To embed such a power and confidence in the students, Faculty of Ayurveda, Parul university have conducted various activities in the month of December and January which have ultimately rise the knowledge of students.

KEY ACTIVITIES REPORT (DECEMBER/JANUARY 2021-22)

PARUL INSTITUTE OF AYURVED AND PARUL INSTITUTE OF AYURVED & RESEARCH

"The quality of a life is determined by its activities" Recreational activities help to manage our stress. It further provides us a chance to nurture oneself. It helps to create an environment which balance between working atmosphere with physical & mental well-being. With this perspective, Faculty of Ayurveda, Parul University have worked in the month of December and January. In these months Webinar series, Podcast series, Health camps, Guest lectures, Training programs were conducted which have ultimately refreshed the knowledge of students of Ayurveda across India and it have benefitted the common public for maintaining their health by awareness program and health camps

Knowledge is only powerful if you share what you know. With this Enthusiasm more than 30 webinars were organised in the month of December and January like Bruhatyadhi Yoga in the management of Urolithiasis, Critical Review on Arka Kalpana, Abhyanatar Snehapana, Neonatal Resuscitation, Application of Snehadi different procedures in Kushta Chikitsa, Karna Pareekshana Vidhi, Maggots the tiny surgeon, Shodhana of Visha Dravyas Physiology of Samhanana, Samhita for clinic practice, Diagnosis and Treatment of Snakebite., Agnikarma as Analgesics, Sutika Paricharya - A Review and Practical Aspects, Role of Ahara Vidhi Vidhan in the prevention of Lifestyle Disorders, Basics of x ray and its interpretation, Intravenous fluid therapy, Excipients in Ayurvedic formulation, Therapeutic effects of Jalaukavacharana, Ayurvedic management of Male Infertility, Rashaushadhis in Ayurvedic Practice – A Boon for Ayurveda, The concept of Obesity/Sthaulya – An Ayurvedic view, An Overview on Cancer Cervix, A critical review on endangered medicinal plants and their conservation, Yakrut Vikaras – Ayurvedic Therapeutic approach, Management of Haemorrhoids with stapler Haemorrhoidectomy – A Boon, Garbhasrava and Garbhapata – A clinical Practice and review

Success Story

SUCCESS STORY

A male patient aged 32 years from Mumbai, complaining of difficulty in sitting, standing and talking since 4 months; swelling of lower limbs and stiffness all over the body since 4 months. He had a past history of Drug induced Parkinsonism before 4 months, came to Panchakarma OPD of Parul Ayurved Hospital. He was treated with 7 days course of

Udvardhana, Baspa Sweda, Sodhana Nasya and Nitya Virechana. After that he was treated with Utsadana, swedana, and Samana Nasya for a period of 10 days. At the time of discharge patient was able to sit and stand properly. He was able to walk by his own and able to respond our commands verbally. There was also a significant reduction in swelling and stiffness all over the body. And patient lost around 4 kg of body weight during the course of treatment.
