Message from Dean . . .

Dr.Hemant D Toshikhane
Dean, Faculty of Ayurved,
Parul University.

अग्निः काष्ठात्जायते मथ्यमानात्
भूमिः तोयं खन्यमाना ददाति।
सोत्साहानां नास्त्यसाध्यं नराणाम्
मार्गारब्धाः सर्वयत्नाः फलन्ति ॥

By striking pieces of wood fire is produced. The
earth gives water by digging. Nothing is
impossible for the determined people. All efforts
started in a proper way bear fruit.

Success is the result of consistency. The more you do something effectively and with a goal in mind, the better you will get at it and the more you will feel fulfilled. The road to success comes through hard work, determination and sacrifice. There are no secrets to success. It is the result of preparation, hard work & learning from failure.

With such a determination Faculty of Ayurved, Parul University worked in these couple of months. We conducted many Webinars, various Health camps, Guest lectures on different topics, Pedagogy sessions, Training Sessions etc which has given fruitful outcome in overall development of the students and common public for maintaining their health and awareness about different diseases. Further in coming months more such activities helpful in academic as well as moral progress of students and general public will be conducted.

“SELF BELIEF & HARD WORK WILL ALWAYS EARN YOU SUCCESS”

Amritarishta is a polyherbal hydroalcoholic Ayurvedic preparation and traditionally used by Ayurvedic Practitioners as a choice of remedy in mostly all types of fevers. The chief ingredient of Amritarishta is Guduchi, dried stem of *Tinospora cordifolia*. The chemical constituents reported from stems of *Tinospora cordifolia* have many notable medicinal properties such as antidiabetic, hepatoprotective, antioxidant, antimarial, immunomodulatory and antineoplastic properties. One study showed significant antibacterial activity of Amritarishta against common human pathogens as *Staphylococcus aureus*, *Bacillus subtilis*, *Salmonella typhi*, *Escherichia coli* and *Pseudomonas aeruginosa*. In another study on Amritarishta-T and Amritarishta-M prepared by traditional and modern methods respectively showed significant diuretic, natriuretic and kaliuretic effects. SHISHYOPANAYAN SAMSKAR

Samskara or rites of passage are the ornaments that decorate one's personality. They mark the important stages of one's life and enable one to live a fulfilling life complete with happiness and contentment. The ceremony of Brahmopadeshm is Upanayanam which means taking the young aspirants near Brahman or Guru. It is one of the Samskaras which reconstruct the personality, reform the mind, purify it & rebuild it. Sharing the glimpses of Inaugural Session of Shishyopanayan Samskar organized by the Faculty of Ayurved, Parul University.
