Current collaborations with health institutions

3

**GOOD HEALTH
AND WELL-
BEING**

As a frontliner in sustainable practices Parul University is committed to facilitating holistic change and development in all sectors. The university is invested in furthering the scope of healthcare in academic as well as public health through the combination of relative strengths with other stakeholders. From its inception the university has been partnering with healthcare institutions to provide its students with the highest exposure of training and innovative practices. The university has signed more than 77 functional MoU's with health institutions across the globe such as Sri Sri College of Ayurvedic Science and Research Hospital, Sri Sri university Centre Council for Research in Homoeopathy, Canadian College of Ayurveda & Yoga, Dr. East, Brampton Ontario, Spinex Spine care International, Sports Authority of Gujarat, Vadodara and IIT Madras among others. Throughout the year the institution provides comprehensive practical training and skill development programs tailored for faculties through enriching student and faculty exchange programs.

The university embodies Institutions including Homeopathy, Ayurved, Physiotherapy, Nursing, Medical Science & Research, Paramedical Sciences & Research. Students from these departments have been actively engaging in research projects, medical camps, expert talks, Research clinical trials amongst other innovative strides.
