

**Parul University**  
**Trainings on Environmental Aspects of Sustainability for Staff Members**  
**2023-24**

Sr. No.	Particular	Objective	Date
1	An Awareness Session on “3R Waste Management: Reduce, Reuse, Recycle in Practice”	To educate participants about sustainable waste management techniques and promote the 3Rs for a cleaner environment.	25-05-2023
2	Campus-Wide Cleanliness and Hygiene Campaign as part of “Clean Campus, Green Campus” Initiative	To instill cleanliness values and encourage active participation in maintaining hygiene across the campus.	04-11-2023
3	Faculty Sensitization Workshop on "Plastic-Free Campus Culture" as celebration of “International Plastic Bag Free Day”	To sensitize faculty members on the harmful effects of plastic and encourage alternatives for a plastic-free campus.	03-07-2023
4	A Green-wide Drive on “Tree Plantation for Ecological Restoration”	To restore degraded areas and increase green cover through collaborative tree plantation efforts.	05-07-2023
5	Environmental Awareness Drive under Van Mahotsav 2023	To promote environmental consciousness and the importance of afforestation during Van Mahotsav.	08-07-2023
6	A Conceptual Orientation Session on "Pathways to Net Zero: Vision for a Sustainable Tomorrow"	To familiarize participants with strategies and initiatives towards achieving net-zero carbon emissions.	08-08-2023
7	A Workshop on ESG’s Environmental Pillar: Sustainability in Action	To demonstrate practical applications of sustainability in the environmental domain under ESG principles.	26-09-2023
8	An Introductory Session on “Extended Producer Responsibility (EPR): Ensuring Circular Production and Waste Accountability”	To explain the concept of EPR and encourage industries to take responsibility for waste generated from their products.	11-10-2023
9	A Workshop on ESG’s Social Pillar: Equity, Inclusion & Impact	To promote social equity and inclusion while assessing the societal impact of organizational practices.	30-11-2023
10	Thematic Exhibition by institutions on National Energy Conservation Day	To showcase innovative energy-saving technologies and raise awareness about energy efficiency.	14-12-2023
11	An Expert Talk and Tree Plantation Program on “Sustainability through Green Action”	To combine expert insights with hands-on action towards sustainable environmental practices.	20-12-2023
12	A Workshop on ESG’s Governance Pillar: Leadership & Ethical Compliance	To emphasize the importance of leadership, transparency, and ethics in sustainable governance.	07-01-2024
13	An Awareness Training Session on “Environmental Responsibility and Sustainability”	To develop an understanding of individual and collective responsibility in addressing environmental challenges.	19-01-2024

<b>Sr. No.</b>	<b>Particular</b>	<b>Objective</b>	<b>Date</b>
14	Community Tree Plantation Movement: Van Mahotsav 2023 Special	To foster community involvement in environmental conservation through tree planting initiatives.	25-01-2024
15	A Critical Brief on “Greenwashing: Identifying and Avoiding Misleading Sustainability Claims”	To help stakeholders identify deceptive environmental claims and ensure transparency in sustainability efforts.	18-07-2024
16	An Expert Introduction on “Science Based Targets initiative (SBTi): Linking Climate Goals with Corporate Action”	To introduce the SBTi framework and its relevance in aligning corporate actions with global climate targets.	17-08-2023
17	A seminar on Environmental Policies and Regulations	To inform participants about key environmental policies and regulations at national and international levels.	08-03-2024

**Parul University**  
**Trainings on Environmental Aspects of Sustainability for Students**  
**2023-24**

Sr. No.	Particular	Objective	Date
1	A Quiz Competition on “Sustainable Energy Development: Concepts and Innovations”	To assess and enhance students’ knowledge on renewable energy sources and sustainable energy practices.	05-06-2023
2	Community Engagement Drive under “Swachh Bharat Abhiyan: Towards a Clean India”	To promote public participation in cleanliness and sanitation efforts.	05-06-2023
3	A Technical Briefing Session on “Understanding Greenhouse Gases (GHG): Impacts and Mitigation”	To educate participants about the causes and effects of GHG emissions and explore mitigation strategies.	04-07-2023
4	A Green-wide Drive on “Tree Plantation for Ecological Restoration”	To restore green cover and enhance biodiversity by encouraging tree plantation.	05-07-2023
5	Environmental Awareness Drive under Van Mahotsav 2023	To raise awareness about forest conservation and the role of trees in maintaining ecological balance.	05-07-2023
6	An Informative Session on “Water Conservation & Carbon Neutrality: Building a Balanced Ecosystem”	To inform stakeholders about strategies for conserving water and achieving carbon neutrality.	05-07-2023
7	Rainwater Harvesting and Water Management Techniques	To educate students and staff on sustainable water harvesting methods and water usage efficiency.	15-07-2023
8	E-waste and Plastic Waste Management Awareness Session	To raise awareness on the hazards of improper waste disposal and encourage responsible waste management.	18-07-2023
9	A Workshop on “Energy Conservation: Smart Solutions for a Sustainable Future”	To introduce practical approaches and technologies for reducing energy consumption.	29-08-2023
10	Green Commute Selfie Contest on Zero Emissions Day	To encourage use of eco-friendly commuting methods and create awareness about reducing carbon emissions.	21-09-2023
11	Green Campus Orientation Workshop	To introduce new students and staff to sustainable practices adopted on campus.	28-10-2023
12	Campus-Wide Cleanliness and Hygiene Campaign	To instill the values of hygiene, cleanliness, and a clean campus culture.	04-11-2023
13	Soil Testing & Composting Workshop on World Soil Day	To educate participants on soil health, its testing, and composting techniques for sustainable agriculture.	05-12-2023
14	Thematic Exhibition by institutions on National Energy Conservation Day	To showcase innovations and best practices for energy efficiency and conservation.	14-12-2023

<b>Sr. No.</b>	<b>Particular</b>	<b>Objective</b>	<b>Date</b>
15	An Awareness Training Session on “Environmental Responsibility and Sustainability”	To sensitize staff and students towards their environmental responsibilities.	20-01-2024
16	Community Tree Plantation Movement: Van Mahotsav 2023 Special	To encourage community participation in increasing green cover and biodiversity.	25-01-2024
17	Student Rally with Eco-Slogans at Sangadol Village	To create environmental awareness through creative expression and community outreach.	10-02-2024
18	Seminar on "Energy Efficient Practices & Green Energy Systems"	To promote understanding of green technologies and efficient energy systems.	17-02-2024
19	Hands-on Training on Waste Segregation and Composting	To provide practical knowledge and skill-based training on managing solid waste effectively.	20-02-2024
20	"Jal Shakti Pradarshan" - Community Outreach on World Water Day	To highlight the importance of water conservation through community engagement activities.	22-03-2024
21	Seminar on "Climate Change & Carbon Footprint Reduction Strategies"	To provide insights into climate change causes and actionable steps to reduce personal and institutional carbon footprints.	20-09-2023
22	An Expert Talk on “ Environmental Pillar of ESG - Environmental, Social, and Governance”	To minimize environmental impact through sustainable practices, responsible resource management, and climate-conscious initiatives that support long-term ecological balance and reduce the organization's carbon footprint.	18-02-2024
23	A Conceptual Orientation Session on “Science Based Targets initiative (SBTi): Linking Climate Goals with Corporate Action”	To introduce the SBTi framework and its relevance in aligning corporate actions with global climate targets.	25-08-2023
24	An Introductory Session on “Extended Producer Responsibility (EPR): Ensuring Circular Production and Waste Accountability”	To explain the concept of EPR and encourage industries to take responsibility for waste generated from their products.	09-08-2023
