Dr. Kamna Gupta explained them about the definition of ragging and facts amended by UGC.

They were made aware of---

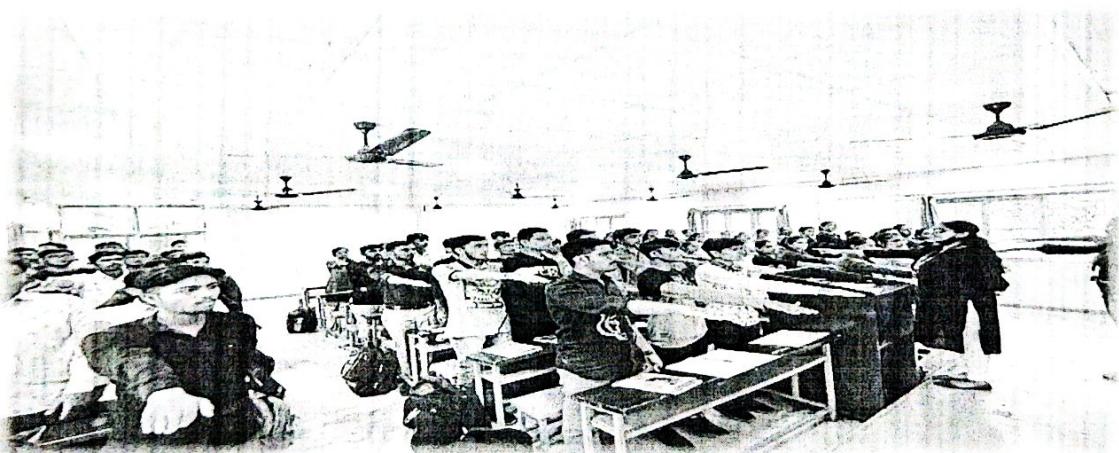

- UGC guidelines, incidences and important matters.
- Negativity of ragging and tried to inculcate good values which would help them to refrain from such acts.
- Also explained them about the Institutions stand about ragging.

After this, Sara Bhuva & Dhwani Dalsaniya guided the students about the Anti-ragging affidavits and helped them file and register online which was later submitted to the committee co-ordinator duly signed from their parents.

The event came to an end where students took the **Antiragging**

Doubts and queries were resolved after this and hence the event came to an end.
