

Ayurveda, "The Science of Life" aims to achieve happiness of the body and mind. It promotes a balanced state of psychosomatic makeup of man which can help to achieve endless happiness. The Ayurvedic formulations are represented by its huge classical herbs, minerals and many animal products form part of Ayurvedic treatment. Ayurvedic remedies are holistic in their action, their judicious uses is free from side effects.

Parul Ayurved Pharmacy is the manufacturer of quality Ayurvedic medicines under the Parul Institute of Ayurved, Parul University. It is started as teaching pharmacy in 2006 to prepared OPD medicines to fulfill the requirement of PIA Hospital. Now Parul Ayurved Pharmacy gives around 150 different classical and proprietary medicines to both Ayurved Hospital (PIA and PIAR). In 2016, it became GMP certified (GA/1842).

Parul Ayurved Pharmacy has a wide range of deep acting holistic Ayurvedic remedies specially formulated to bring about optimum benefits to the patient without unwanted side effect.
