A BRIEF REPORT

On Drug tour conducted 17/02/2021

A drug tour was organized by department of Dravyaguna Vigyana on **17/02/2021** after getting due approval from the department. In this programme PG students were participated. Guidance was made by Dr. Pooja Modh & Dr.Shifa Shetty, Assistant professor, Department of Dravyaguna. Total 09 students of PG were participated.

Post graduate **Department of Dravyaguna of Parul Institute of Ayurveda** visited the **Rajpipala** for their research work. It was amazing to know the cultivation of plants which are very common, the moto of this cultivation was in such way that even layman can understand easily. Local workers taught them uses of plants as home remedies and department taught them another new uses of medicinal plants in simple way.

Place: Rajpipala, Gujarat

Total Species: 70

Sr.No.	Sanskrit name	Botinacal Name	Local Name
1.	Prushnaparni	<i>Uraria picta</i>	
2.	Shonak	<i>Oroxylum indicum</i>	
3.	Vrukshmala	<i>Garcinia indica</i>	Vrukshaml
4.	Vyaghra arand	<i>Jatropha curcas</i>	
5.	Bakuchi	<i>Psoralea corylifolia</i>	Bavachi
